A. Anyone 21 or over is eligible for this budget-your-travel plan.

Q. Where can I travel on this plan?

A. Anywhere in the United States, anywhere in the world—New York or the Pacific Northwest, Hawaii or the Far East, Europe, Africa, Alaska! There's no limit whatsoever—the FLY NOW—PAY LATER Plan covers all Northwest Flights, plus connecting airline flights, both domestic and foreign—to take you anywhere you want to go.

Q. Where can I apply for this plan?

A. At any Northwest Orient Airlines ticket office or through any authorized travel agent.

Q. Can I take out a Fly Now—Pay Later Plan in Canada?

A. Yes, simply contact any Northwest Orient Airlines ticket office or any authorized travel agent.

Q. How soon can I get my plane tickets?

A. Within a few days after you make your application. You will receive your plane tickets, and a statement covering terms of the budget plan. Then you're ready to pack and take off!

Q. What do I pay?

A. When you make application you pay only 10% of the total cost of the ticket! The balance due is budgeted to fit *your* pocketbook—every month for 3 to 20 months.

Q. When do monthly payments start?

A. Up to 45 days after signing contract.

Q. Does this plan cover all types of flights?

A. Yes, indeed. The Northwest Fly Now—Pay Later Plan covers all flights—first class or tourist fare. There are big savings with the Northwest Family Plan, in effect on Mondays from noon on, Tuesdays, Wednesdays and until noon Thursdays, which allows the head of a household traveling at full fare to take his wife and children (21 years of age and under) at half fare. Northwest's "Airventures"—all-expense tours which include hotel accommodations, meals, sight-seeing trips and many extras—are also included in the Fly Now—Pay Later Plan.

Q. Can I use this plan on any flight at any time?

A. Of course. You can go at any time of the year on any Northwest flight and on other connecting airline flights that may be necessary to reach your destination.

Q. Are all details handled by Northwest or my travel agent?

A. Yes, just one visit to the ticket office or travel agent takes care of everything—reservations, itinerary, and, of course, application for the Fly Now—Pay Later Plan.
